Dr. Maurice Ernst  
Central Intelligence Agency  
Langley, VA

Dear Maurice:

Thank you for meeting with me and advising me about sources of support for Lee Schipper's LDC energy demand work. I have asked Lee and his deputy, Jayant Sathaye, to put you on their mailing list.

You may recall I promised to send you some material on Bob Marlay's work on industrial energy demand. Enclosed is a copy of a talk by him to an EPRI workshop. It covers the electricity demand aspects of that work. Marlay is now an assistant to Alan Strebb, DAS for Conservation.

Sincerely,

Michael H. Rothkopf  
Program Leader  
Energy Analysis Program
